

MY
PORTFOLIO

ABOUT ME

**My name is Nakatudde Harriet a graphics designer,-
Here's a snapshot of what my work might involve**

CREATIVE VISION:

I excel at transforming abstract ideas into visually compelling designs, whether for branding, marketing, or digital platforms.

TOOLS EXPERTISE:

Proficiency in design software such as Adobe Photoshop, Illustrator, Photoshop programs are a likely core part of my workflow.

VERSATILITY:

I may work on a variety of projects, including logo design, web interfaces, advertising materials, packaging and multimedia graphics.

CLIENT COLLABORATION:

Communicating with clients to understand their vision and objectives is vital, as is balancing their needs with my design perspective.
